Subject: Product Equivalence Declaration

To whom it may concern,

This will serve to confirm that all Cermax[®] products manufactured by Excelitas Technologies Illumination, Inc. (Formerly PerkinElmer, Inc.) including, but not limited to, the PE300BF, PE300BFM and PE175BF are identical in construction and posted performance specifications to the products previously manufactured by PerkinElmer.

The Production locations and manufacturing processes remain unchanged, and hence the technical performance and quality of the lamps remain unchanged. It has been a name change of the company only.

Please don't hesitate to contact me if you have any questions, or if I may help in any way.

Sincerely,

James T. Clements
